

RESOLUTION # 86-1

WHEREAS, The City of Wathena, Kansas, a third class city, is confronted with serious problems regarding the maintenance of an adequate supply of water due to the extremely poor condition of the City's two existing water towers and excessive projected repair costs associated therewith, and

WHEREAS, the City of Wathena, Kansas, can correct the above-mentioned water condition by constructing a new water tower for the City's use.

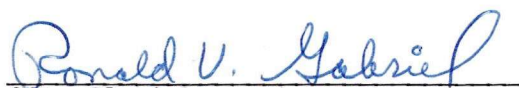

NOWHEREFORE BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF WATHENA, DONIPHAN COUNTY, KANSAS, that said Governing Body deems it necessary to improve its system of water works by constructing a new water tower as provided in plans, specifications and detailed estimate of costs prepared by Novak and Lay of Hiawatha, Kansas, and on file in the office of the City Clerk.

BE IT FURTHER RESOLVED that the Mayor and City Clerk can be directed to submit this resolution as well as the specifications, plans and detailed estimate of costs to the Kansas Corporation Commission for their approval as provided in K.S.A. 12-837.

Adopted by The Governing Body of the City of Wathena, Kansas, this 1st day of July, 1986.
